

Local Transportation & Logistics Company Commits to Dubuque Area with 5,000 Square Foot Iowa Office Space Expansion

July 25, 2022 – Dubuque, IA – [River City Logistics Incorporated](#) (RCL) affirmed their commitment to the Dubuque, IA area, expanding to a 5000 square foot office space in the bustling Downtown Dubuque area. “The Interstate Building” located at 131 W 10th Street will serve as the new RCL Headquarters. Located less than one mile from the historic Mississippi River, the new location will support the steady growth in staff and revenue RCL has experienced over the last 24 months.

“RCL couldn’t be more excited to move into a new office space for two reasons. First, it allows us to continue to grow without the concern for office space. It will give our employees a great workspace that they can take pride in and enjoy working from. Second, it shows that we are deeply committed to the Dubuque community. The overwhelming majority of our employees are natives to this area; they grew up here and know the people in this area. We want to show them, along with everyone else in this community that we’re planting our roots even deeper, and we are here for the long run.” said Chris Brewer, President and Founder of River City Logistics.

RCL plans to double their team in the Iowa office by the end of 2022, [hiring](#) for Sales, HR, Finance, Marketing, and IT. The project will contain large scale improvements to the space and is scheduled to be completed by the middle of August 2022. Tenant improvements are being managed by Dubuque-based [Gronen](#).

“We are thrilled to work with River City Logistics as they expand their footprint in Dubuque! An established company known for their excellent service, quality jobs, and equitable pay, River City Logistics will have a definite impact on the Dubuque community. In choosing the Interstate Building for their office location, the company will have room to sustain their rapid growth as well as be in the heart of a neighborhood which offers many amenities for their employees. This is a ripple effect that will continue to benefit both the City of Dubuque and River City Logistics.” said Mary Gronen, Vice President of Gronen.

“We’re happy to work with Gronen because they’re a great company that has a track record of success in this community. This type of partnership is critical to our growth and continued success.” added Brewer.

[River City Logistics Incorporated](#) is one of the fastest growing 3PL (third-party logistics) transportation and freight brokerage service companies in the nation with customer service centers in Dubuque, Iowa and Reno, Nevada. With owned-asset and brokered services, RCL handles all categories of freight along all modes of transport. The company was founded to be a more client-forward and more relevant provider of freight and transportation services while giving back to the community, treating employees fairly, and making decisions with Shippers and Carriers in mind.
